### **Supplies (bring with you to all classes)**

#### Textbooks:

Harmony and Voice Leading (4th Edition). Edward Aldwell & Carl Schachter.  
(ISBN: 0-4951-8975-8). 3rd edition is also acceptable (ISBN: 0-1550-6242-5).

Counterpoint in Composition. Felix Salzer & Carl Schachter.  
(ISBN-10: 023107039X)

(ISBN: 0-393-95001-8)

*Both Schachter books will be shown to the teacher in the second week of class.*

#### Other:

Music paper, note paper, pencil with eraser.

You may not use writing implements other than pencils.

Homework, quizzes or exams done in anything except pencil will not be marked and will receive a failing grade.

### **Grading**

This course consists of two components: harmony and counterpoint, and keyboard skills.

You will earn one grade for harmony and counterpoint and one grade for keyboard skills.

The harmony and counterpoint component will count as 65%, and the keyboard component will count as 35%, of your final grade. Thus, if you earn an 85 in harmony and counterpoint, but a 75 in keyboard, your final grade would be  $(85 \times .65) + (75 \times .35) = 55.25 + 26.25 = 81.5$ .

Each component will be graded in the following manner:

Homework assignments, quizzes, participation (see below): 50%

Midterm exam: 20%

Final exam: 30%

Participation: [see Attendance Policy, below]

As a matter of policy, I drop the lowest harmony and counterpoint quiz *or* homework grade.

Final letter grades are assigned according to the following scale:

A+ = 97-100	A = 93-96	A- = 90-92	D+ = 67-69	D = 63-66	D- = 60-62
B+ = 87-89	B = 83-86	B- = 80-82	F = 0-59		
C+ = 77-79	C = 73-76	C- = 70-72			

Weekly keyboard assignment grades convert letters to the highest associated number for calculation purposes (A+ = 100; A = 96; A- = 92; B+ = 89; etc.) except for F, which will convert to 0.

Theory course material is presented in three forms: textbook readings, handouts/downloads, and lectures. You are responsible for all material, regardless of the medium of presentation. It is of utmost importance that you bring music paper to class and *take notes*. In the event that you are absent for a lecture, be sure to get the notes for that class from a classmate.

Please note that homework assignments will be posted on my website in the "courses" section. I do not accept late homework if the assignment is available to the student (e.g., via download) - even if the student was absent when the assignment was given. Please see "Homework Policy," below, for additional information.

FAILURE TO APPEAR FOR YOUR MIDTERM or FINAL EXAMINATIONS WILL RESULT IN A FAILURE OF MUS 274 (regardless of your average).

*A final grade of C- or better is required in order to continue to the next course in the sequence.*

## **Material Covered / Course Objectives**

MUS 274 is an advanced course in Harmony, Counterpoint and Keyboard Skills. The primary focus of the subject matter is on chromaticism, including, but not limited to, Mixture,  $\flat$ II, Augmented 6th chords, and chromaticism in larger contexts. Work is done in un/figured bass realization, chorale settings, Roman numeral and formal analysis, and keyboard exercises.

As this course is dependent on mastery of fundamentals of theory material (MUS 73), I reserve the right to give regular fundamentals quizzes. These quizzes are timed and cover basic material which should have been mastered previously. This material includes, but is not limited to, identifying and writing: key signatures, intervals, triads, 7th chords and scale degrees.

## **Quiz Policy**

A student who is absent when any quiz is given must schedule a time to take an *equivalent* quiz within one week of the original quiz date. *It is the student's responsibility to arrange the make-up quiz.* Failure to take a quiz will result in a grade of "0" being entered for the quiz.

## **Participation / Attendance Policy**

Class attendance is expected of all students.

Students are expected to show up to class on time. A 2-point reduction on the student's final grade will result for every 2 instances of tardiness.

Students will be allowed to make-up 2 class days' worth of in-class performance assignments (i.e., keyboard exercises) in total. Make-up work must be done within a week of the original due date. *It is the student's responsibility to arrange the make-up performance.* Any additional missed keyboard assignments will receive a grade of 0 (zero) and opportunity to make up the assignment will not be granted.

## **Academic Honesty**

Students are expected to adhere to the college's academic honesty policies. A copy of those policies may be found here:

<http://web.cuny.edu/academics/info-central/policies.html>

## In-Class Technology Policy

Students are expected to have cell phones, digital cameras, laptops, etc. put away during class time (though they may be kept on). During quizzes and exams, these devices are to be put away and *turned off*.

NO so-called "wearable" computers (e.g., Google Glass™) are permitted in the classroom.

NO photographs or videos may be taken during class. Audio recordings of the class are permitted.

## Email

Students are *strongly* encouraged to enter my email address and the class open forum address into their email address book and/or on their "safe list." This is particularly true of those with AOL accounts. Notifications from ISPs that legitimate emails sent from me or the class open forum have been tagged as spam will result in the removal of the student's address from the open forum list. This could result in missing important class announcements, for which I take no responsibility.

## Homework Policy

If the student is PRESENT when the assignment is due and fails to hand in the homework, it will NOT be accepted late.

If a student is ABSENT on the day the assignment is due, the student MAY hand in the assignment at the next class. If the student is absent at the next class s/he must make arrangements to have the homework handed in (for example, give it to a friend to hand in; you may also scan it into a computer and send it, or make special arrangements with me).

Regardless of absence or presence, no homework will be accepted three or more class days after the due date.

THIS HOMEWORK POLICY WILL BE *STRICTLY* ADHERED TO.
